To the Grand Guardian Council of Maryland,

The Job's Daughters and Grand Bethel members of Maryland have expressed a desire to convene for the purpose of discussing the 2010 proposed by-law amendments.

The event committee would like to welcome the following to attend this meeting in order to hear the input of the Job's Daughters: Grand Guardian, Associate Grand Guardian, Bethel Guardians, Associate Bethel Guardians, Past Grand Guardians, and Past Associate Grand Guardians. Your attendance at Jobie Congress would provide you with the knowledge of the opinions of the Job's Daughters. The Daughters' point of view could prove useful when discussing the amendments with other members of Job's Daughters councils, especially for those who are voting members of the Supreme Guardian Council.

Maryland Jobie Congress will be held at Glen Burnie Masonic Temple, on July 25, 2010 at 3:00 p.m. In order to provide a more open and welcoming environment for the Daughters to speak on such controversial issues, all adults in attendance will be asked to sit in the back of the discussion room. All discussion taking place will be by the Daughters only. Attire for this event is causal. We hope you will attend and encourage the Daughters to take an active role in the legislation of their organization.

Job's Daughters Love,
