Dear Job's Daughters Family and Friends:

Mom Bunny and Dad Scott have asked me to coordinate with the adults and daughters of Maryland as we make plans to attend the Grand Guardian Council of Virginia's 2009 Session. This session will take place in Ferrum College in Ferrum, Virginia from July 9th to July 12th, 2009.

The Virginia Session is a fun-filled event and something you will enjoy. If you have never been to an out-of-state session take this wonderful opportunity to make some new Job's Daughters friends and see how things are done in our "quad-squad" jurisdiction to the south.

Enclosed is a packet with all the information necessary for registering for Virginia's Session. May 30, 2009 is Virginia's deadline for early registration. I will be handling all the registrations for Maryland. Please forward your completed registration form, medical forms for daughters, and money to me at the address above. To qualify for "early bird" registration, the deadline to return your forms and payment to me is no later than **May 26th, 2009**. If you want to attend the Virginia Session but can not send everything to me so that I receive it by May 26th, 2009, please call me to discuss your options. All fees are the responsibility of the attendee; make the check payable to "Sessions Arrangements Committee."

If you have any questions or concerns please feel free to give me a call or check out the information on the Virginia JDI website. It will be great for all of us to attend the Virginia Session together.

With Jobie Love,

Mom Judy
